

## OUR EXCHANGE TABLE.

Items of General Interest Gleaned From State Papers.

Raleigh Times—Wednesday afternoon at the Washington School the colored teachers presented to Prof. E. P. Moses a gold-headed cane in appreciation of his faithful and efficient services as superintendent of the city schools.

Raleigh News and Observer—A story of romantic interest is that of the elopement and marriage this week of Miss Pauline Young, the 19-year-old daughter of Mr. Chas. W. Young, of 515 East Polk street, and Mr. Norfleet Stronach, son of Mr. Frank Stronach.

Duplin Journal—Friends of Capt. A. S. Herndon, who was the representative of the Imperial Tobacco Company on the Warsaw market, last season, regret to learn that he suffered a stroke of paralysis sometime ago and after lingering for a few days death relieved his sufferings.

Charlotte News—Spartanburg is building for herself an excellent system of streets. Representatives from Columbia have just been in that city and thought the streets there fine. It might pay Charlotte to send representatives to some place where they have real streets.

Snow Hill Laconic—Several of our citizens went down to see the blowing up of stumps on Hines Brothers right-of-way last week. The laugh is on one of our friends for his unseemly haste in avoiding a flying piece of stump.

Mt. Olive Tribune—Mount Olive will market this season close to forty thousand crates of strawberries. Up to Tuesday night 36,861 crates had been shipped, and including yesterday's shipments the total reached about 37,350 crates. Last year the total crop amounted to about 50,000 crates, so it will be seen that there is only a shortage this year of about 10,000 crates.

Durham Sun—At the meeting of the merchants last night, it was decided to do all they can to fix and reduce the freight rates, to and from this city. This matter has been one of long standing and the papers, through the state have been doing their best for the merchants. The freight rates in this state have been too heavy, and in Durham especially they have been higher than in other places.

Greensboro Record—It was erroneously stated in some papers that the president of the Guilford Battle Ground Company, Maj. Joseph M. Morehead, was chairman of the committee that escorted Speaker Cannon to the Battle Ground Tuesday. The truth is, thanks to the speaker, Major Morehead is compelled to personally attend to a great deal of work going on there, and bodily labors, on occasion. He is having two monuments built now, and was on the battle ground before breakfast Tuesday morning, helping unload granite for the monuments. When the speaker got there he found President Morehead and his trusty friend, Andrew Joyner, with coats and collars off, helping a lot of darkies lift some tremendous granite blocks from the wagon to their place on the monument. As soon as he could let go his "holt," President Morehead wiped off the sweat from his brow, put on his collar and coat, and cordially received the speaker and the visiting committee.

## NORFOLK AND SOUTHERN.

Sealed proposals will be received at this building until 2 o'clock p. m. June 7th, for furnishing fuel, lights, water, ice, miscellaneous supplies, washing towels, hauling ashes, and sprinkling streets for this building during the fiscal year ending June 30, 1908, or such portion of the year as may be deemed advisable. The right to reject any and all bids is reserved by the Treasury Department.  
L. N. GRANT, Custodian.

## TELEGRAPHIC BREVITIES

Important News of to-day Boiled Down to a focus for Busy Readers.

Special to THE ARGUS.

Boise, Idaho, June 1.—Actual trial of Haywood begins Monday. Ten jurors are in the box this morning, and the other two will be secured today, as the State's challenges are exhausted and the defense has but one peremptory challenge left. It will take a full month to complete the trial.

## TWENTY MILLION STARVING.

St. Petersburg, May 31.—Twenty million peasants are reported today to be starving to death in five Russian provinces.

It is estimated that a hundred thousand infants have perished starving mothers being unable to furnish substance from their breasts dried up for want of nourishment.

At a special called meeting of the County Board of Education today the petition for a special tax election in Eureka school district was endorsed and sent on to the Board of County Commissioners, also in special session, for this purpose, and the election ordered for July 2. THE ARGUS is glad to note this activity for educational advancement. The spirit is abroad all over the county. Now let us have a bond election in the entire county for good roads, and Wayne county will soon lead the State in physical development as she already does in educational renaissance.

With a special school tax election just carried in Grantham township—Falling Creek district, a special school tax election called for Nahant township—Eureka district, and a combined city and county High School already determined for Goldsboro, Wayne county has every reason to look for greater things in the near future—and especially for a Greater Goldsboro, for we are indeed going forward.

## CIVIL SERVICE.

Further information can be obtained from L. H. Fisher, Washington, D. C., or from the undersigned.  
E. W. Hill,  
Sec. Local Board.

## GERMS IN THE SKIN SCIENCE IN PURSUIT

Eczema Sufferers Will be Interested in a Pamphlet on Diet, Exercises, Etc., Which May be Had Free at Goldsboro Drug Co.'s Drug Store.

The eczema germ is a curious parasite. Scientists accustomed to the daily use of the microscope find difficulty in detecting it. The germ lives only in the skin, and multiplies where the skin is weak and susceptible. It feeds on the oily substances, developing at the rate of thousands and tens of thousands daily. Nature combats them, but if the skin is weak the germs must be destroyed by an external remedy. Oil of wintergreen properly mixed with other soothing ingredients is the best remedy yet found for all kinds of skin trouble. But oil of wintergreen alone will not suffice, and it is only when properly combined—as in D. D. D. Prescription—that we get a liquid that really cures while INSTANTLY relieving the itch. I wish to thank the wonderful cure that D. D. D. Prescription did for my baby boy that had eczema," says Mrs. A. L. Workman, of No. 3 Wights Add., Trinidad, Col. "We bought only one bottle after using the trial bottle and he has been cured for three months or more and not symptoms of it coming back."  
D. D. D. Prescription is a mild soothing liquid made for a number of years by a Chicago company. It is no ordinary patent medicine and we thoroughly investigated the merits of the remedy before recommending it to the people in our own town, Goldsboro Drug Co. Call at our store and we shall be glad to show you a bottle of the remedy, and no matter whether you buy the remedy, we will be glad to give you a pamphlet free of charge, this pamphlet telling about the diet, exercise, clothing and other treatment required for skin sufferers.

## PROFESSIONAL.

Mrs. J. W. Hill, of Goldsboro, N. C.

## Systemic Catarrh of Summer

GENL. A. F. HAWLEY

### A War Veteran's Experience.

General A. F. Hawley, 1336 25th street, N. W., Washington, D. C., writes: "I have used Peruna and find it very beneficial for kidney trouble, and especially good for coughs, colds and catarrhal trouble."

### Spring and Summer Catarrh.

There is a form of catarrh especially prevalent in spring and summer, called by Dr. Hartman systemic catarrh.

This form of catarrh especially deranges the stomach, bowels and other organs of the abdomen. The whole mucous tract lining the stomach, liver, bowels and kidneys is in an inflamed condition, and these organs fail to perform their proper function.

Systemic catarrh may be or may not be accompanied by catarrh in other parts of the body. In some cases there is a hacking cough. It may be also associated with catarrh in the head.

But, in typical cases of systemic catarrh all the organs of the abdomen are in a weakened and sluggish condition.

### Dyspepsia and Biliousness.

Sometimes it is called dyspepsia, at other times biliousness, or the patient may be suspected of having kidney disease or appendicitis.

Systemic catarrh presents symptoms which resemble closely a great many different diseases.

Affects Many Organs of the Body.

"There is no better remedy in the world than Pe-ru-na for systemic catarrh."

S. B. Hartman, M. D.

Peruna has for a long time been regarded as the remedy par excellence for conditions of this kind.

The accompanying testimonials are sufficient to indicate the promptness with which Peruna relieves these symptoms and the satisfaction which people express concerning the use of Peruna.

### Catarrh of Stomach.

Mr. W. R. Callahan, proprietor of Big Hill Farm, and a prominent fruit grower and stock raiser, Glenvar, Va., writes:

"I write to express my kindness toward you and your good medicine, Peruna."

"I had a very bad spell of sickness and could not eat anything at all. My head, stomach, in fact, my whole body ached, and it looked as though nothing would do me any good."

"I had almost given up. I decided to try a bottle of your Peruna and before I had taken half the bottle my appetite came to me and my head became all right."

Try it, easy to use, Results assured.

The Palace Drug Store.

## Watch the Goldsboro Tobacco Market.

Messrs. E. J. Hester & Co., leased the Planters' Tobacco Warehouse, and will be in Goldsboro in a few weeks to get things in shape for the coming season. This firm has had fifteen years' experience in the warehouse business, and are well equipped in every particular to get the farmers every dollar possible for their tobacco. Mr. Hester will make a thorough canvass of the country, and see the farmers in person, he thinks prices will be good, and with the corps of buyers on the Goldsboro market this year he will make things hum.
